OF THE YEAR**

CEREMONY, SEPTEMBER 19, 2017

OKLAHOMA TEACHER OF THE YEAR PROGRAM

The Oklahoma Teacher of the Year (TOY) Program is conducted through the office of the State Superintendent of Public Instruction and is made possible through a partnership with the State Fair of Oklahoma. The enduring success of the program is credited to the numerous businesses, associations, organizations, and universities that typically present tuition waivers, tickets to athletic events, classroom technologies, gift card, cash awards, organization memberships, and the use of a new automobile.

Great Oklahoma teachers challenge, motivate, and inspire their students to do their best; they make learning exciting, engaging, and continuous; they are respected by their peers as well as local school officials, parents, and students; they are caring and creative, seeking to enrich the lives of their students and build a better future for us all. Honor classroom teachers at the local level by participating in the Oklahoma Teacher of the Year Program. This packet will guide you through the process.

CRITERIA

A candidate for Oklahoma Teacher of the Year is a teacher in a state approved or accredited school, prekindergarten through grade twelve, who is planning to continue in an active teaching status. All Oklahoma Teacher of the Year honorees agree to participate in the national program sponsored by the Council of Chief State School Officers (CCSSO).

The Oklahoma Teacher of the Year candidate has the respect and admiration of colleagues and:

1. Is an expert in his or her field who guides students of all backgrounds and abilities to achieve excellence.
2. Collaborates with colleagues, students, and families to create a school culture of respect and success.
3. Deliberately connects the classroom and key stakeholders to foster a strong community at large.
4. Demonstrates leadership and innovation in and outside of the classroom walls that embody lifelong learning.
5. Expresses him or herself in an engaging and articulate way.

LOCAL DISTRICT SELECTION

At the local district level, the Teacher of the Year program is coordinated through the district superintendent, and it is his or her responsibility to make sure that every teacher is given the opportunity to participate in the recognition process. It is important to emphasize that the search is not for "the best teacher" but for one who exemplifies the finest in the profession. The local school district determines the local selection process and announces its Teacher of the Year.

EDWARD C. JOULLIAN III SCHOLARSHIP

Edward C. Joullian III honorably served the state of Oklahoma as chairman of the State Fair Board of Directors for ten years. As a founder of the partnership between the Teacher of the Year program and the Oklahoma State Fair, he showed his dedication to the education of the children of this great state. The Edward C. Joullian III Scholarship was established by the State Fair Board to encourage students to continue their education, recognize the State Teacher of the Year's school district, and celebrate the contributions of Mr. Joullian to the lives of Oklahoma's young people.

In 1998, the \$5,000 scholarship debuted during the State Teacher of the Year recognition ceremony and is awarded annually to a graduating senior from the Teacher of the Year's school district. It is awarded based upon a student's overall scholastic, leadership, and civic potential.
