

The 21st Century Community Learning Centers (CCLC) program uses three unique on-line systems to report programmatic and financial data. Each of the systems is described below.

Grants Management System (GMS)

<https://sdeweb01.sde.ok.gov/SSO2/Signin.aspx>

In this system, you will enter:

- Grant application
- Budget amendments
- Budget
- Continuation Report
- Claims

For assistance, contact: 21st CCLC office, 405-522-6225

United States Department of Education (USDE) Data Collection

The USDE requires specific program data to be reported for all 21st CCLC grantees. This data is often used by the USDE to report to the United States Congress on the success of the program and to determine future funding. Submitting this data according to the required timeline is critical.

Data Management Spreadsheet

<http://www.cypq.org/ok21cclc>

On the spreadsheet, you will enter:

- Center overview
- Staffing
- Community partners
- Program activities
- Student participation
- Student outcomes

Spreadsheets are due at the end of each term (Fall, Spring and Summer).

For assistance contact: leanner@cypq.org

21st CCLC APR System

<https://21apr.thetactilegroup.com>

In this on-line system, you will enter:

- Center Overview
- Community Partners
- Program activities

Data is due at the end of each term (Fall, Spring and Summer).

For assistance contact: sonia.johnson@sde.ok.gov

Scores Reporter

<https://portal.cypq.org>

Through this system, you will submit your YPQI:

- Self assessment
- Improvement plan

You also have access to your self and external assessments and improvement plans for multiple years, and have the ability to create reports to compare your data.
