**Re:** REIMBURSEMENT FOR ALTERNATIVE PROFICIENCY TESTING

The date for reimbursing school districts for administering alternate proficiency testing is January 15. Unfortunately, at this time, there are no allocated funds to reimburse school districts for this service. The Office of Accountability and Assessment may be able to provide funding for this program for the May reimbursement period. Thank you for your understanding in this matter.

If you have any questions, please call the Office of Accountability and Assessment at 405-521-3341.
