Desk Monitoring

All districts within the state are randomly placed into a five-year monitoring cycle

On-site Monitoring

✓ Observed statistical irregularities or discrepancies with student assessment data
✓ Testing irregularities discovered through previous annual random monitoring
✓ An established pattern of testing violations
✓ Documented concerns

District Superintendent/District Test Coordinator notified of **Desk Monitoring** through letter to Superintendent by October of the current school year.

On-site monitoring may be initiated at any time during the testing window and automatically includes a Desk Monitoring. Districts will be notified in a separate communication of an On-site monitoring.

District provided information to State.

State collected information.

State team conducts a site visit to the district or school site(s).

District receives letter of determination from OSDE.

▪ If the district/site provides complete and valid evidence of successful accountability, and has met all requirements, it will receive a designation of compliance and returns back into the cycle.

▪ If the district/site does not provide complete and valid evidence of successful accountability, or any monitored area is found deficient ,the district and school will be designated as "noncompliant", and follow-up monitoring will be required.
