RL	Main	Reading/Literature: The student will apply a wide range of strategies to comprehend, interpret, evaluate, appreciate, and respond to a wide variety of texts.			
RL	1	Standard 1: Vocabulary - The student will expand vocabulary through word study, literature, and class discussion. Apply a knowledge of word origins (words from other languages, history, or literature) to determine the meaning of new words encountered in reading and use those words accurately.			
RL	1.1	Apply knowledge of Greek, Latin, and Anglo-Saxon roots and word parts to draw inferences about the meaning of scientific and mathematical terminology.			
RL	1.2	Use reference material such as glossary, dictionary, thesaurus, and available technology to determine precise meaning and usage.	L	1.a	Conventions of Standard English: Apply the understanding that usage is a matter of convention, can change over time, and is sometimes contested.

RL	1.2	Use reference material such as glossary, dictionary, thesaurus, and available technology to determine precise meaning and usage.	L	4.c	Vocabulary Acquisition and Use: Consult general and specialized reference materials (e.g., dictionaries, glossaries, thesauruses), both print and digital, to find the pronunciation of a word or determine or clarify its precise meaning, its part of speech, its etymology, or its standard usage.
RL	1.2	Use reference material such as glossary, dictionary, thesaurus, and available technology to determine precise meaning and usage.	L	4.d	Vocabulary Acquisition and Use: Verify the preliminary determination of the meaning of a word or phrase (e.g., by checking the inferred meaning in context or in a dictionary).
RL	1.3	Analyze the meaning of analogies encountered, analyzing specific comparisons as well as relationships and inferences.			
RL	1.4	Rely on context to determine meanings of words and phrases such as figurative language, connotations and denotations of words, analogies, idioms, and technical vocabulary.	RL	4	Craft and Structure: Determine the meaning of words and phrases as they are used in the text, including figurative and connotative meanings; analyze the impact of specific word choices on meaning and tone, including words with multiple meanings or language that is particularly fresh, engaging, or beautiful. (Include Shakespeare as well as other authors.)
RL	1.4	Rely on context to determine meanings of words and phrases such as figurative language, connotations and denotations of words, analogies, idioms, and technical vocabulary.	RI	4	Craft and Structure: Determine the meaning of words and phrases as they are used in a text, including figurative, connotative, and technical meanings; analyze how an author uses and refines the meaning of a key term or terms over the course of a text (e.g., how Madison defines faction in Federalist No. 10).
RL	1.4	Rely on context to determine meanings of words and phrases such as figurative language, connotations and denotations of words, analogies, idioms, and technical vocabulary.	L	4.d	Vocabulary Acquisition and Use: Verify the preliminary determination of the meaning of a word or phrase (e.g., by checking the inferred meaning in context or in a dictionary).
RL	1.4	Rely on context to determine meanings of words and phrases such as figurative language, connotations and denotations of words, analogies, idioms, and technical vocabulary.
