

COMMUNITY RESOURCE FAIR

February 22, 2014

Providing Connections and Information for Families of Children with Differing Abilities

Putnam City school district is pleased to sponsor an information and resource fair for families of children with disabilities. Community agencies and services will provide information on topics including:

- community financial supports
- sports and recreational opportunities
- assistive technology
- housing
- transportation
- vocational options
- school processes and partnerships
- self-determination and youth leadership
- transitions
- legal issues
