

STATUS LEGEND

Certified	The district superintendent has reviewed the report and has determined it to be complete and has submitted the data to the state.
Confirmed	The report for every school in the district has been completed and is confirmed as completed by the principal. It is awaiting district superintendent review.
In Process	Every school in the district has begun the process of reviewing the report.
At Least 1 In Process	At least one school in the district has begun the process of reviewing the report.
Not Started	The report has not been viewed by any user in the school district.
Report Not Applicable	The reporting requirement does not apply to the district (e.g., a K-6 district would not be required to complete the Historical Adjusted Graduation Cohort Report).
