

Governor's Christmas Tree Lighting Selection Process

This year, the schools selected to help decorate the Christmas trees at the annual Governor's Christmas Tree Lighting event with Governor Mary Fallin and Superintendent Janet Barresi will be chosen by the following rubric:

1. The Christmas tree lighting school selection is on a **first-come, first-serve** basis.
2. The school districts that have **not** participated in the event previously will have priority over those that have.
3. School Districts will only be allowed one participating classroom and only one 4-foot tree per classroom.
4. Efforts will be made to have equal distribution throughout the different sectors of the state.
5. Schools that have applied previously but that have not been accepted will also have priority over other applicants.
