

OKLAHOMA 2011-2012 LOW INCOME REPORT

FEBRUARY 2012

Oklahoma Public Schools

Free and Reduced-Price Meals Eligibility Report for the 2011-2012 School Year

Child Nutrition Programs • Oklahoma State Department of Education

PREFACE

Official enrollment numbers used for this **Low Income Report** reflect enrollment as of October 1, 2011. However, per federal regulations, the total number of students eligible for free and reduced price meals represents all students eligible through October 31, 2011. Therefore, if a site/district experienced enrollment growth after October 1, it is possible the **Low Income Report** will reflect that the site/district had in excess of 100 percent of its students eligible for free and reduced priced meals.

¹ Provision School

² District, County and State totals are calculated based on the data we have and ignore Virtual Student Enrollment Errors.

#ERR Districts certified zero Virtual Student Total Enrollment as of October 1st, but also reported Virtual Student Eligibles for that same month. Therefore this percentage is not available.

* Residential Child Care Institutions (RCCI) also participate in Child Nutrition Programs, but are not reflected on this report. School sites that do not participate in National School Lunch are not included in this report.

* The number of free and reduced-priced Virtual Internet Students enrolled in a Provision 2 or 3 School are not reflected in the Virtual Student free and reduced-price counts, but are reflected in the free and reduced percentage.

* On-Site Totals includes on campus students as well as students enrolled in Virtual/Internet classes who attend school ON campus.

* Virtual Totals includes only students enrolled in Virtual/Internet classes who attend school OFF campus.
