

**The Oklahoma Deaf-Blind Technical Assistance Project
invites you to attend
Effective Communication & Literacy for Children with
Visual and Multiple Disabilities
presented by Faye Gonzalez**

This workshop focuses on using communication strategies to teach literacy skills to learners with multiple disabilities, including deaf-blindness. Participants will make literacy activities to use in the classroom.

Topics include:

- * Selecting the Right Symbol System for Children with Complex Communication Needs
- * Using Augmentative and Alternative Communication (AAC) Systems
- * How to Target and Improve Communication & Literacy Skills
- * How to Increase Student Performance on Statewide Assessment
- * Using Sensory Experiences to Develop Communication & Literacy Skills
- * Hands-on, Make and Take Activities

When: June 10, 2014

Where: J.D. McCarty Center Conference Center
2002 East Robinson Street
Norman, Oklahoma 73071

Time: 8:30 a.m. to 4:00 p.m.

Cost: Free

A little about the speaker:

Faye Gonzalez is a teacher in the Madison School District in Phoenix, Arizona, where she works primarily with children with visual and multiple disabilities. Faye has over 17 years of teaching experience and also has a background in Assistive Technology. She has 10 years experience in training teachers in how to better support the development of children with multiple disabilities.

Space is limited - first come, first serve basis. Early registration is encouraged.
