

Special Education Directors and Contacts,

Based on the overwhelming response to the OK Edplan trainings, the Special Education Services division will be offering WebEx trainings during the months of March and April. Our goal is to provide helpful information to special education staff in order more efficiently and effectively use OK EdPlan. Ms. Angela Kwok and Ms. Shawna Keene will be co-presenting. Questions will be taken and answers during the “Live” WebEx so that you will receive immediate assistance.

The WebEx trainings will be offered on different days throughout the week as well as different times throughout the day for the convenience of participants. There is no limit on the number of participants per session. You are welcome to register as often as you like.
