

OU is pleased to announce a new Masters in Special Education degree with an emphasis in Applied Behavior Analysis that fulfills the academic requirements needed for students to sit for the Board Certified Behavior Analyst Examination. Because this is a newly approved program, the application due date for Fall Semester has been extended to August 12th.

This new degree option is a joint program between the OU Special Education Program and the OU Health Sciences' Tolbert Center at the College of Allied Health, and has been approved by the Behavior Analyst Certification Board. For admission information contact the OU Department of Educational Psychology at 405-325-4525. Go to this website for more information about this exciting opportunity:
