## **Full Scholarships for Special Needs Educators The Oklahoma Fall Arts Institute at Quartz Mountain**

Searching for creative ideas to enrich your classroom, energize your students, and enhance learning? Then join us at the beautiful Quartz Mountain resort for a four-day workshop that will recharge your teaching and give you new skills, lesson plans, and ideas!

Public school educators who teach students with special needs can [ENROLL NOW](#) and receive an automatic full scholarship for "Special Needs: Dance/Creative Movement," held October 31 – November 3. In this workshop, you'll explore ways that dance and movement can be used to promote social development and teach a wide array of topics in the special needs classroom. You'll learn basic dance technique and choreographic principles, as well as movement activities that encourage the use of creative thinking skills. No experience necessary! Taught by Kelly Doremus Stuart from Concord, New Hampshire, the workshop will fulfill 18 hours of professional development credit.

Scholarships are provided by the Oklahoma State Department of Education and private donors. All meals and lodging are included with tuition. For more information or to register online, visit:
