

ReadOK Event Information

We are just a few days away from the ReadOK event and we wanted to provide you some additional event information as well as answer some of the questions we have been frequently asked.

Arrival Time

Please arrive anytime between 9:15am and 11:00am. The event will begin at 9:30am and conclude around 11:30am. This is a flexible event and schools are able to come and go as they choose throughout the event.

Parking & Entrance:

We are requesting that you park in the East Capitol guest/bus parking lot off of Lincoln Boulevard next to the capitol. For the safety of the students attending we would like to encourage bus drivers to pull up to the House side of the Capitol (which is denoted on the map attached) to drop off the students and then proceed to parking the bus across Lincoln Boulevard. The House side of the Capitol has a circle drive which should allow for an ease of bus drop off.

There is a map attached with additional layout of the capitol complex to better familiarize yourself with.

Pictures:

We will have a floating photographer on site for fun and festive photos with your students. These will be posted to the agency website following the event for your reference.

Activities:

The event will begin at 9:30am and conclude at 11:30am. We will have many wonderful activities for the students from a wide variety of storybook tellers to celebrity mascots to birthday cake and refreshments and so much more. The event is an open event for your students to explore as best fits your students for their optimal enjoyment. We look forward to a great day of birthday celebration and literacy!

Dress Code:

There is not a dress code for this event. Please just ensure that the students follow the schools dress code policy that they are representing. Some schools dress up in costume, others come in their school shirts and others just come in normal school attire. No matter what choice you make for your class please just know

that it is important for you to be able to identify your students when in a large group like this. **We highly recommend similar attire, color or shirts, or nametags.**

Extra Q & A

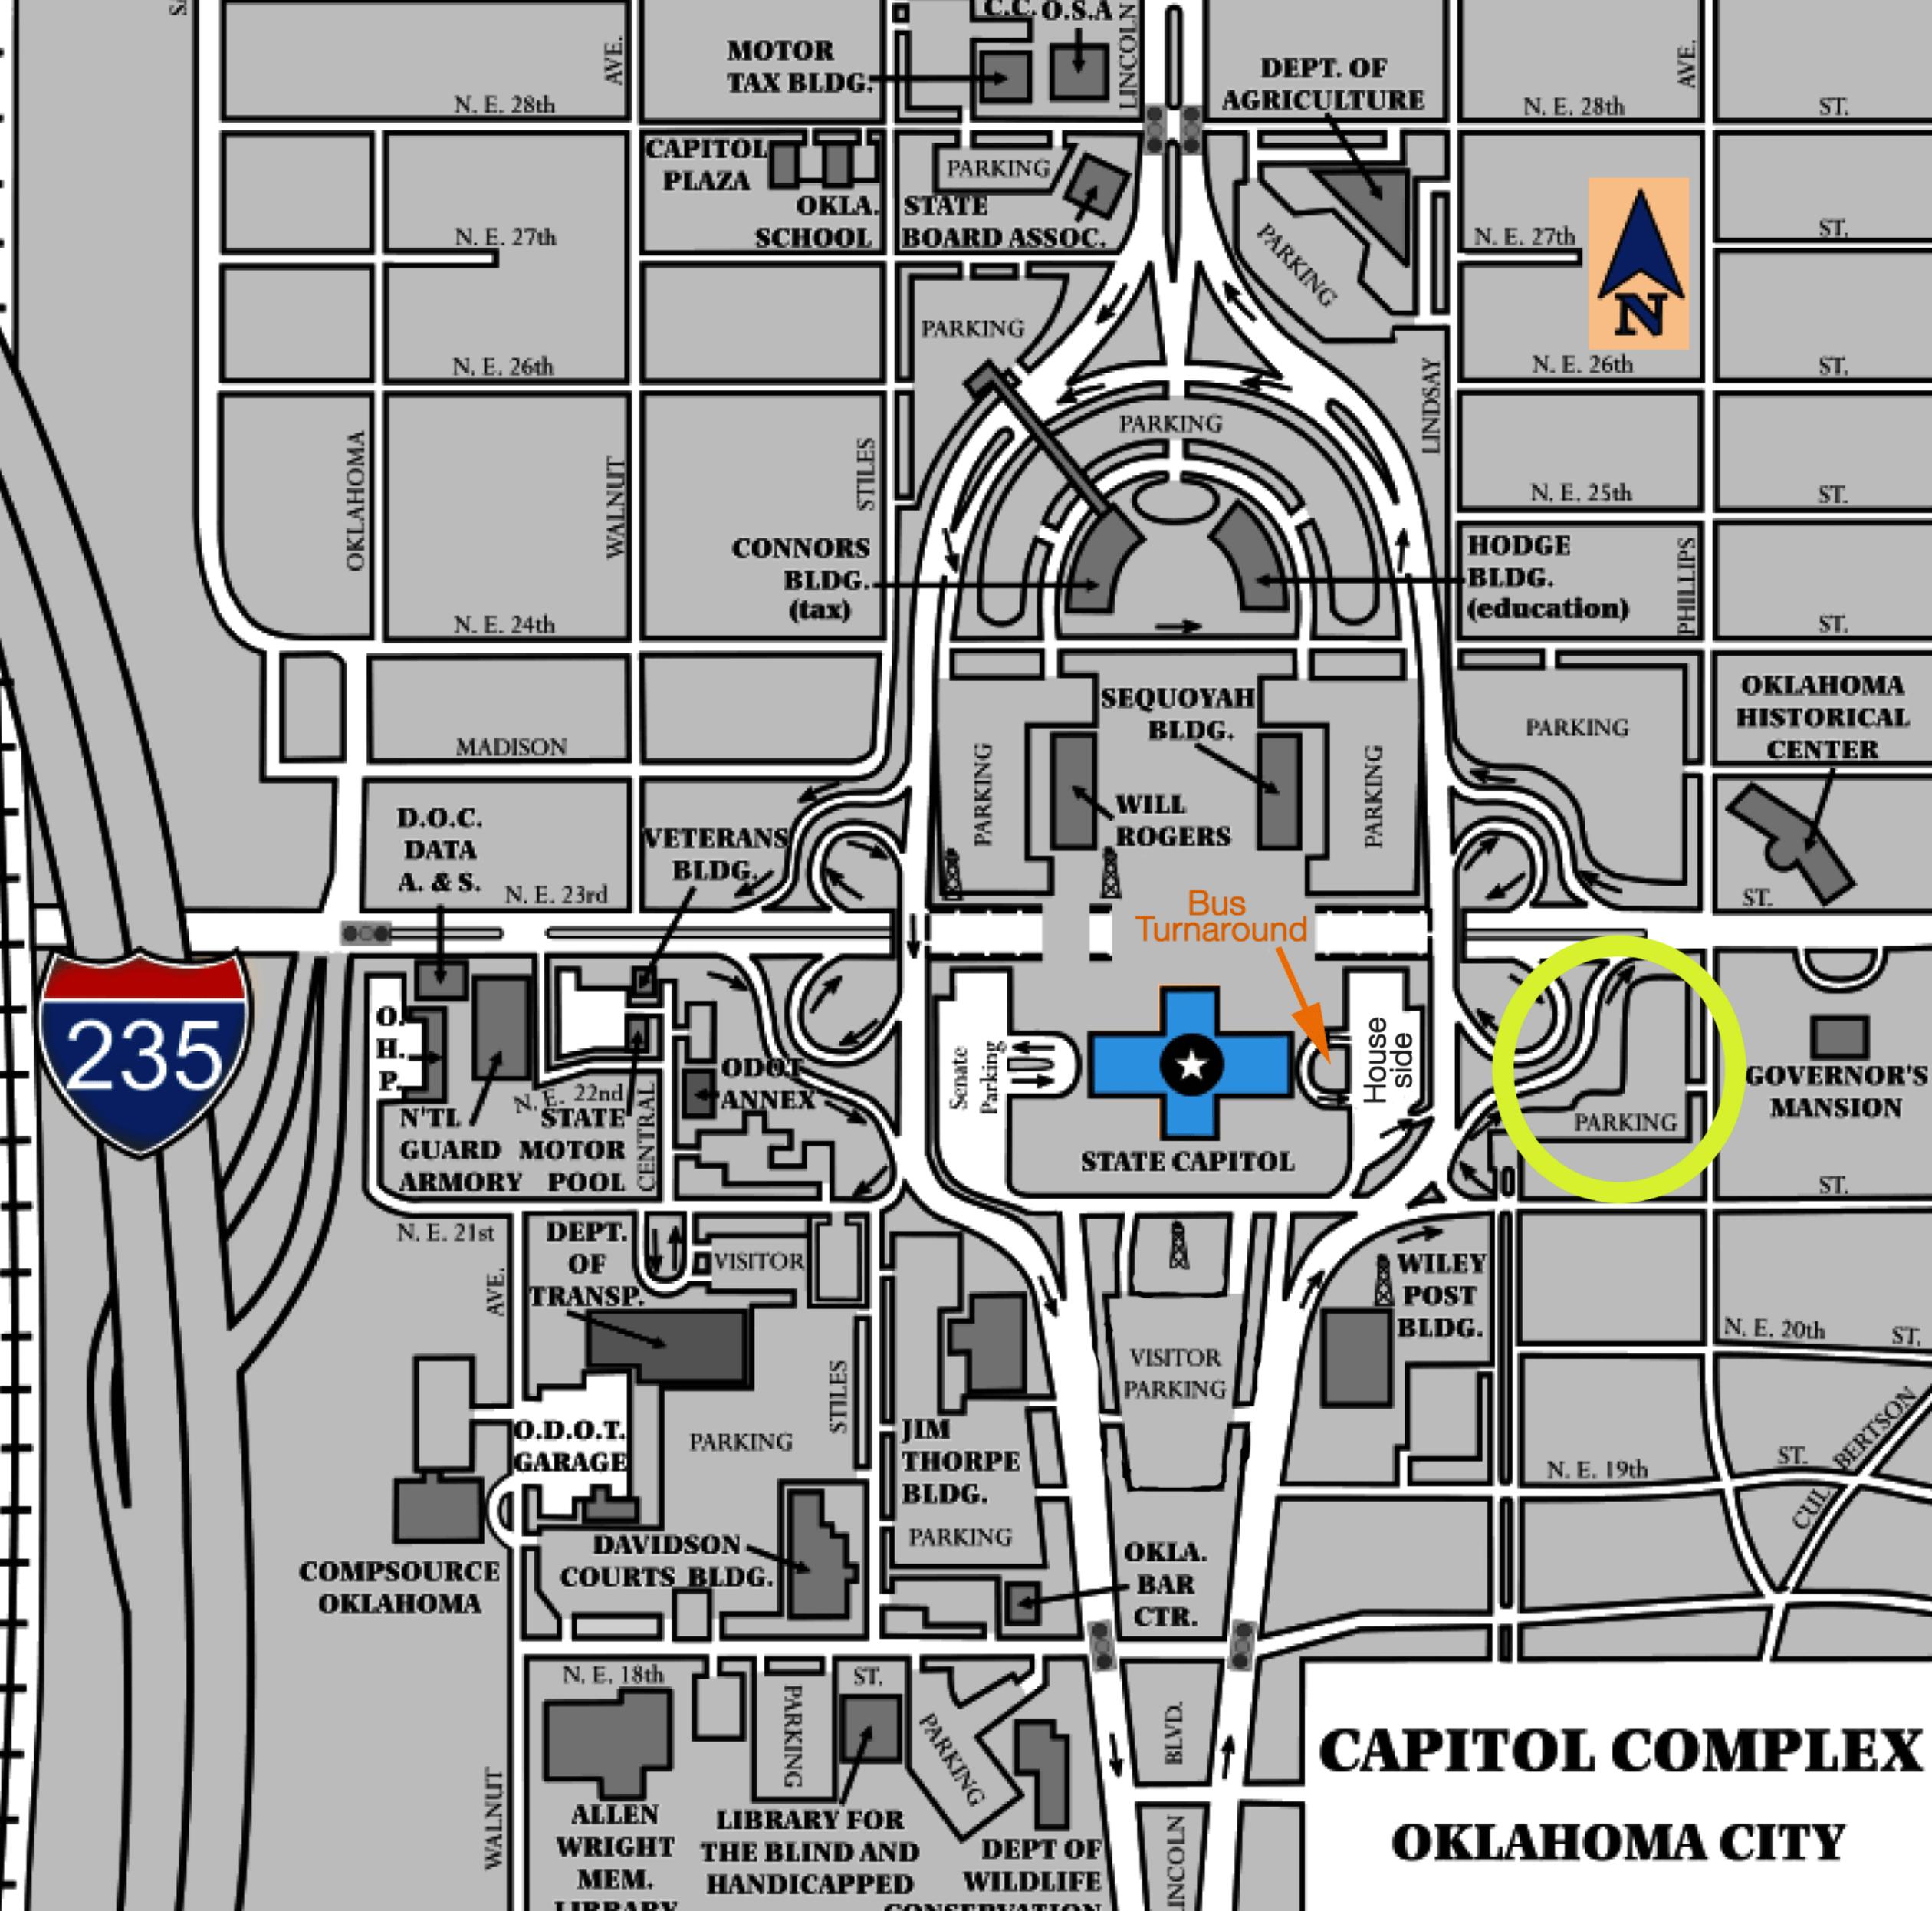

Parents are more than welcome to participate and can arrive as they are able. They do not have to arrive at the same time as the students and/or school contact. They will need to park in guest parking at the State Capitol on the south side of the building or in the state department of education guest parking lot on the north side of the capitol.

Weather

We will alert you 24 hours in advance if weather issues arise and we have to move any of the activities that are currently outside to inside the state capitol building.

We are so excited to share in this wonderful event with you. I hope this answers many of your current questions however if it does not please feel free to contact us at your convenience and we will address any further concerns you may have.

Thank you again for joining us for this upcoming birthday and literacy celebration!
