

Questionnaire for Bellringers

This DVD was produced as a pilot project by the Oklahoma Division of State Parks and the State Department of Education. Thank you for taking the time to send us your comments and suggestions by e-mailing them to Tom Creider, Oklahoma State Parks, at: tcreider@oklahomaparks.com.

Overall Assessment

1. Are these bellringer presentations useful in providing *PASS* skill information? Can they be a tool to augment your lesson plans for the identified *PASS*/Science objectives?

Assessment of the Individual Bellringers (please identify the specific bellringer by title)

2. Is the content of the bellringer relevant to *PASS* skill objectives?
3. Is the bellringer presentation the right length of time; too long, or too short?
4. Are the discussion questions that are posed in the bellringer presentation helpful?
5. Is the vocabulary that is used in the bellringer presentation appropriate or is the vocabulary too difficult?
6. Is the information in the Teacher Guide helpful?

If you believe that such bellringer DVD presentations are helpful, do you have any suggestions regarding other *PASS* subject areas for Science that might be covered using similar bellringers?
