

Welcome to SoonerStart Early Intervention...

Our Promise to you...

We welcome you to SoonerStart Early Intervention as we strive to make this a meaningful and positive experience for you, your child and your family. We would like to introduce early intervention services to you by explaining that SoonerStart emphasizes the following principles...

1. SoonerStart strives to maximize interventions to children
2. More intervention does not come from more services
3. All the intervention that your child will receive will come from you between your early intervention visits
4. Our job as the "professional" is to support you as the parent/caregiver for your child

To show this we make the following promise to you:

- We will inform you.
- We will teach you how to teach and do other things with your child.
- We will tell you about your child's disability.
- We will teach you about child development.
- We will give you access to materials you will need.
- We will get equipment, including assistive technology, you need to help your child's development.
- We will make sure you have access to financial resources that you're entitled to.
- We will support you, emotionally.
- We will be positive with and about you.
- We will be responsive to you.
- We will pay attention to your whole family, especially the primary caregiver.
- We will be friendly to you.
- We will be sensitive to you.
