Nonviolent Crisis Intervention®

The Oklahoma State Department of Education (OSDE), Special Education Services (SES), will be offering trainings in an effort to assist with the implementation of the *Guidelines for Minimizing the Use of Seclusion and Physical Restraint for Students with Disabilities*. The local educational agency (LEA) will have the opportunity to send representatives to attend the trainings.

The LEA representatives **must** be in attendance all 4 days in order to be eligible for certification. It is recommended that each participant dress casual with appropriate shoes.

Interested LEAs may register by calling Sonya Marshall from the Crisis Prevention Institute at (877) 877-5389.

Should you need special accommodations or additional information, please contact Ms. Tina Spence, Personnel Development Coordinator, at (405) 521-4877 or by e-mail at <Tina_Spence@sde.state.ok.us>.

This highly interactive, reality-based training will provide you with skills to safely manage confrontational, disruptive, or out-of-control individuals.

- Four-day train-the-trainer program. **MUST attend the full four days.**
- Certified instructor certification is valid for four years.
- Certified instructors must submit documentation to CPI for a minimum of two formal training sessions for staff totaling 18 hours.
- Certified instructors must maintain annual membership fees.
- Certified instructors must demonstrate comprehension of key concepts through successful completion of competency-based testing.
- Certified instructors will be provided with a comprehensive Instructor Manual and an electronic presentation.
- **Additional supplies to train your district MUST be purchased through CPI.**
