

LEADERS FOR TODAY AND TOMORROW

Oklahoma Special Education Directors' Leadership Support Network

The Oklahoma State Department of Education in cooperation with representatives from eleven school districts, ODSS, CCOSA, and the Personnel Improvement Center of the National Association of State Directors of Special Education have developed a voluntary support program for school district Special Education Directors with two years or less of experience. The support program will include four Institutes, six Webinars, follow-up BLOGs, and the following veteran Special Education Director Mentors. For more information contact Ms. Susan Ellis, State Personnel Development Grant Project Coordinator at < susan_ellis@sde.stat.ok.us > or (405)-522-4365.
