What It's All About

The Oklahoma State Department of Education (OSDE), Special Education Services (SES), is providing a two and one-half hour training on the 2012-2013 OAAP Portfolio Administration.

This required training will provide information on identifying students eligible for the OAAP assessment, task specifications, rubrics, and example scenarios.

There are three options available to satisfy this training requirement. You may register to attend an in-person training by clicking on the appropriate link on the following pages. Additionally, you may register to attend a videoconference by clicking on the link to your left. A final option for meeting this training requirement is by watching the training online. The 2012-2013 OAAP Portfolio Administration Training will be filmed and posted on the OSDE web site to provide greater access to educators.

Each in-person and videoconference training will require registering online. If you are not registered, you will not be allowed to attend the training due to limited seating.

Pearson will provide trainings regarding technical specifications for submitting the OAAP Portfolio from September 17-25, 2012. The specific dates and times for these trainings will be dispersed via memo from both Pearson and the OSDE-SES.

For additional information or assistance with registering, please contact Ms. Christie Stephenson, Coordinator, at (405) 521-4866, <Christie_Stephenson@sde.ok.gov>.

If you require special accommodations or need assistance, please contact Mr. Bryan Bonner, Administrative Assistant, at (405) 521-3378.

Please see the following page for locations, dates, times, and registration information.
