

Oklahoma Teacher & Leader Effectiveness

OKTLE Brings The Web-Based Tulsa Model to Principals and School Districts Statewide.

OKTLE was the first firm officially approved by the Tulsa Board of Education to bring a new State –of-the-art Web-Based application to school districts statewide. OKTLE is brought to schools by **Barlow and TAS**, and has been endorsed by OROS and CCOSA. **Over 150 Oklahoma school districts have already selected OKTLE** as their web-based option for the Tulsa Model. OKTLE can be used with iPad, iPhone, Android or any other tablet, smartphone or laptop computer. Like the Tulsa Model itself, OKTLE has been developed and continues to be refined with input from Oklahoma principals and superintendents. For more information on how to bring OKTLE to your district, call: 1-888-808-4827 or visit: OKTLE.COM
