This 2014 World Geography Academy is a one-day professional development institute primarily for teachers of Grade 6 "World Geography: Western Hemisphere". The academy is beneficial to teachers with limited resources for teaching about Western Hemisphere geography.

Oklahoma classroom teachers who have achieved "Teacher Consultant" status through training with OKAGE will present. Other presenters may include State Department of Education representatives with expertise in student assessment.

This Academy meets the definition of high quality professional development as required by the No Child Left Behind Act [Title IX, Part A, Section 9101 (34)]. The activities in this Academy are directly aligned to the **Oklahoma Academic Standards for the Social Studies**, student academic achievement standards and assessments. The primary goal of the Academy is to improve and increase teachers' knowledge of **Western Hemisphere geography** and the **Social Studies Reading and Writing Literacy Skills**, and to help enable teachers to become highly qualified.
