SUBCHAPTER 3. FACILITIES

210:30-3-3. Mobile classrooms [REVOKED]

~~(a) — The Oklahoma Legislature has provided for emergency classroom facilities for use when schools are destroyed or extensively damaged as a result of natural disasters. Mobile classrooms constructed similarly to mobile homes have been obtained to fulfill this function.~~

~~(b) — The primary objective of the program is to minimize the time that school is disrupted by fire, tornado, flood or other disaster. The success of this program will require the coordinated efforts of the local school officials and the State Department of Education.~~

~~(c) — When mobile classrooms are requested and made available to an affected district on a temporary basis, the local school will be expected to prepare the site, provide utility connections, provide insurance and supply support facilities such as anchoring and walkways. They will pay for all moving cost to the school site and will similarly return the mobile units at the agreed upon time.~~

~~(d) — An agreement will be made between the State Department of Education and local school district regarding the number of units to be located on site, time, etc. A school district may keep a mobile unit for one semester, and the agreement may be extended monthly for a second semester; however, no agreement may be extended past two (2) semesters, except in unusual circumstances as submitted to and approved by the State Board of Education.~~
