It is my pleasure to write a letter of support for the Computer Science Academy at Francis Tuttle Technology Center.

I look forward to serving the Academy as an active advisory committee member, providing guidance for the students in the academy for their academic future and opportunities for the students at the University of Central Oklahoma.

In conclusion, I fully support the efforts of Francis Tuttle Technology Center's Computer Science Academy to prepare students to be successful and pursue college and careers in the field of Computer Science.

Sincerely,
