Subject: Late Expenditure Request

I am requesting your consideration for a late expenditure report for our Title VI part B REAP in the amount of \$1,444.60. The funds request was not executed in a timely manner due to renovations at our district combined with an accounting oversight. An expense report is included as an attachment as documentation of expenditures. We have enhanced accounting measures to ensure that all future grant funds will be executed in a timely manner.

Thank you in advance for your consideration.

Sincerely,

Lisa King  
Superintendent

To Whom It May Concern:

I am writing this letter to inform you why the June Title I and Title VI claims for Caney School District, which were to be submitted by August 1, 2016, were submitted on August 2, 2016. I apologize for the claims being late and for any inconvenience it has caused the SDE and the Office of Federal Programs. We had some issues with coding in our accounting program the last week of July, those issues were corrected before August 1<sup>st</sup>, but the claims were overlooked by me and not submitted by August 1. I submitted them as soon as I realized they had not been uploaded. Again, I am sorry for the inconvenience and the claims being late. We are a small district that relies on these funds and would appreciate the claims being approved. Thank you for your help in this matter. Please let me know if you have any questions.

*"Expecting Success!"*

Oklahoma State Department of Education

To Whom It May Concern:

I would like to first begin by apologizing for my oversight at Denison Public Schools in regards to our claims process. I do not take lightly the job we are tasked with every day in educating the students of our district and across the state. In order to accomplish this job to the best of our abilities, it is my job to make sure our district has the funding necessary to operate to the maximum potential. I would like to request consideration of the State Superintendent and State Board of Education in approving our late claims. As Denison Public School Superintendent, I unknowingly allowed the claims to be submitted after the deadline of August 1<sup>st</sup>, 2016. This was not intentional and was an oversight on my part. I have corrected the process in which our claims are made in order to avoid missing the deadline in the future. Again, I apologize and respectfully ask for your consideration of approval.

Thank you,

Jordan Hill  
Superintendent

*"Expecting Success!"*

Oklahoma State Department of Education

To Whom It May Concern:

I would like to first begin by apologizing for my oversight at Denison Public Schools in regards to our claims process. I do not take lightly the job we are tasked with every day in educating the students of our district and across the state. In order to accomplish this job to the best of our abilities, it is my job to make sure our district has the funding necessary to operate to the maximum potential. I would like to request consideration of the State Superintendent and State Board of Education in approving our late claims. As Denison Public School Superintendent, I unknowingly allowed the claims to be submitted after the deadline of August 1<sup>st</sup>, 2016. This was not intentional and was an oversight on my part. I have corrected the process in which our claims are made in order to avoid missing the deadline in the future. Again, I apologize and respectfully ask for your consideration of approval.

Thank you,

# GLENPOOL PUBLIC SCHOOLS

*We choose to serve our students and families!*

461 E.146<sup>th</sup> St.  
Glenpool, Ok. 74033  
August 2, 2016

Dear Board Members,

Glenpool Public Schools, 721013 request that the Oklahoma State Board of Education approve the district's late claims for July 2016 for the 15-16 School Year. The following claims were submitted August 2, 2016, missing the August 1st deadline:

Title I-A Project 511 in the amount of \$23,384.09  
Title II-A Project 541 in the amount of \$4,617.90

The reason for the late submission was due to district officials being heavily consumed with negotiations with our insurance provider and work related to storm damage the school suffered during the July 14, 2016 severe weather event. We incurred well over a million dollars of damage that resulted in us not having electricity, email or access to the internet for several days. The oversight was not discovered until August 2, 2016.

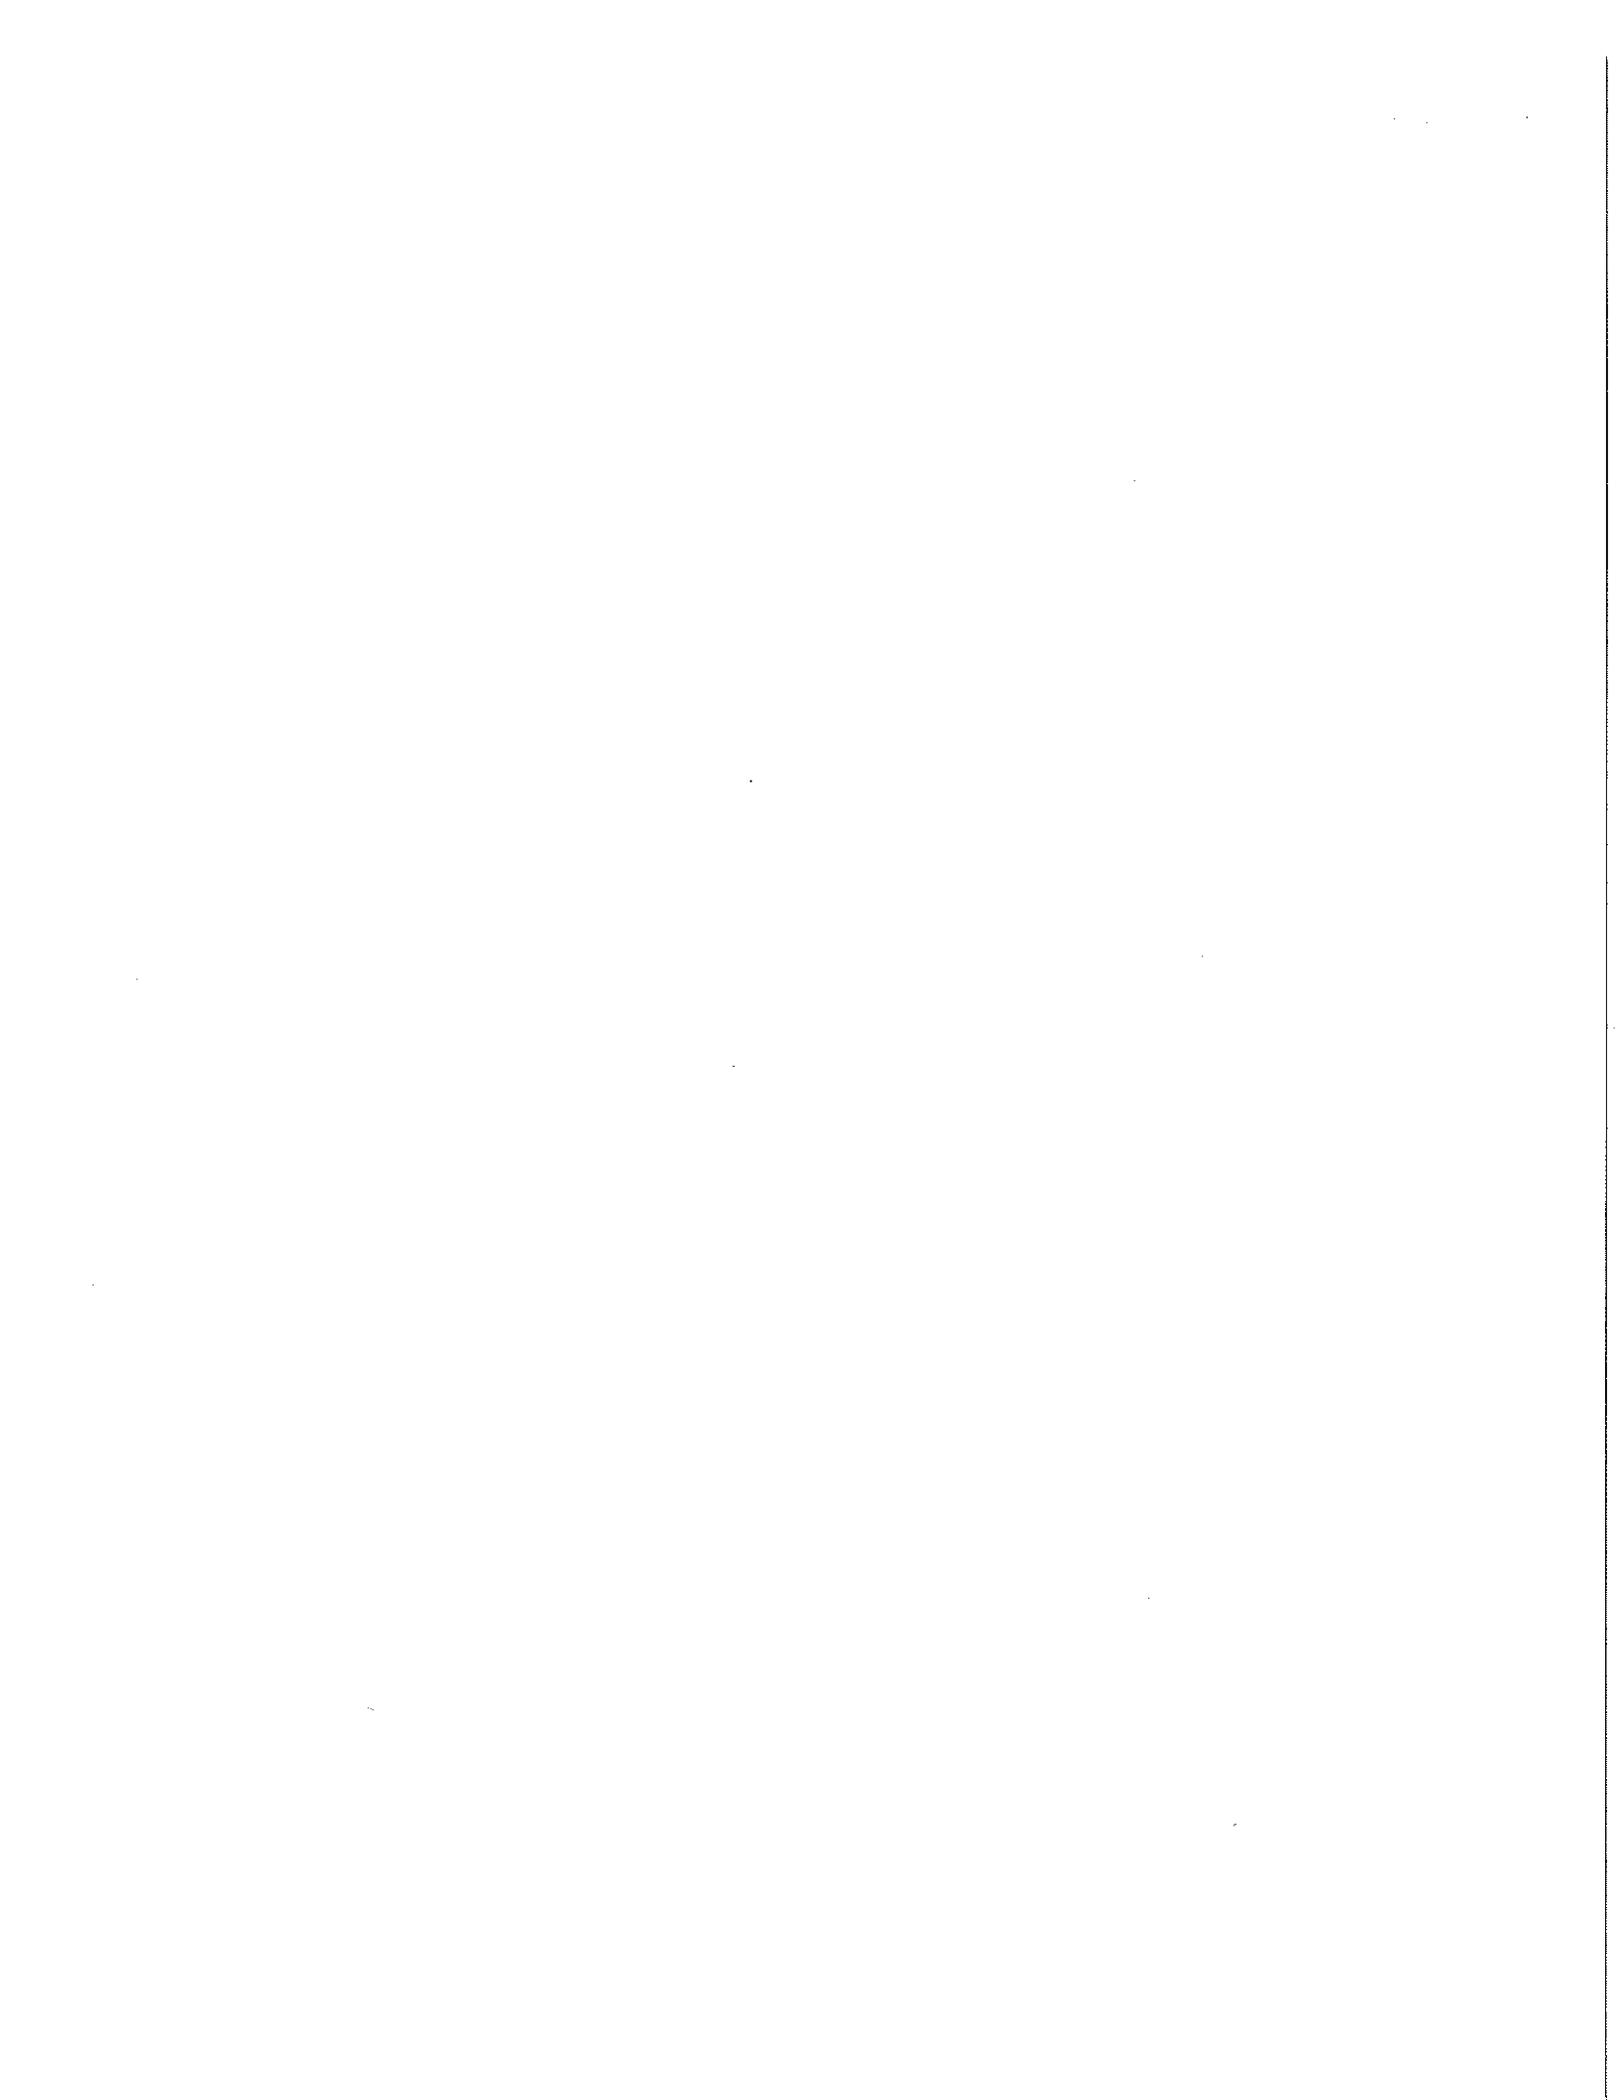

Respectfully,

Jerry Olansen

Superintendent Hofmeister,

Haworth Public Schools regrets that we missed the deadline of August 1<sup>st</sup> as the final day to submit Title I claims for reimbursement. Due to a change in superintendents over the summer, the emails regarding the reminder of claim due dates were not being received. Our business manager thought that she had until the end of August to submit these claims. We have corrected that misunderstanding and have taken steps to ensure that it will not happen in the future.

We had encumbered and ordered new equipment that did not get delivered to the school until July. Upon delivery we set the equipment up and made sure that everything was in working order before payment was made on July 21, 2016. When the business manager filed the claim it was then brought to her attention that the deadline for the filing of federal claims had past.

Please except our apology as we humbly request your approval of our final Title I claim for the fiscal year 2016.

Sincerely,

Jason Price  
Superintendent  
Haworth Public Schools

Dear Superintendent Hofmeister,

I am writing to request payment for federal claims submitted late. We have had personnel issues in our business office this summer and it has delayed our submission of claims to the State Department.

I apologize for the inconvenience this may have caused and assure you we will do our best to keep this from happening again in the future.

Sincerely,

Jennifer McQueen

I Certify that, to the best of my knowledge and belief, this report is true and correct in all aspects: supporting documentation for all entries in the accounting records are on file and will be retained for five (5) years or until the Applicant is notified that such records are no longer needed for administrative review; and the federal funds have been expended only for the purposes they were granted.

All expenditure reports must be signed by the local Superintendent. If the local school board has authorized a different individual to sign expenditure reports, please upload a copy of the school board minutes that confirms the authorization of this signature.

Honorable Board,

The Program 586 April/May reimbursement claims were shown to be sent in after the August 1<sup>st</sup> deadline. However, the original claim was filed prior to the June/July claim in May. The April/May claim was returned for corrections and the June/July claim was paid. When we began to correct the April/May claim, it was inadvertently deleted and new claim was made in its place after August 1<sup>st</sup>.

Please understand that the money was originally claimed before the deadline, but in effort to make corrections the date was changed to after August 1<sup>st</sup>.

Joey McBride, Superintendent  
Milburn Public Schools

To Whom It May Concern,

August 16, 2016

It was brought to our attention today that Pioneer Pleasant Vale Schools have made a claim's omission regarding the 2015-2016 school year. Therefore, we are submitting a late claim to correct our mistake and ask that you accept our claim. Our claims department mistakenly omitted claims of \$45,000.00 last year by believing that the claims in question had already been submitted. We are very sorry for this omission and are in the process of identifying the processing error so this does not happen again.

Please let me know if you need anything else from me. I can be reached at 580-758-3282. Again, please accept our late claim and our apologies.

Sincerely,

A handwritten signature in black ink, appearing to read "Brent Koontz".

To Whom It May Concern,

August 16, 2016

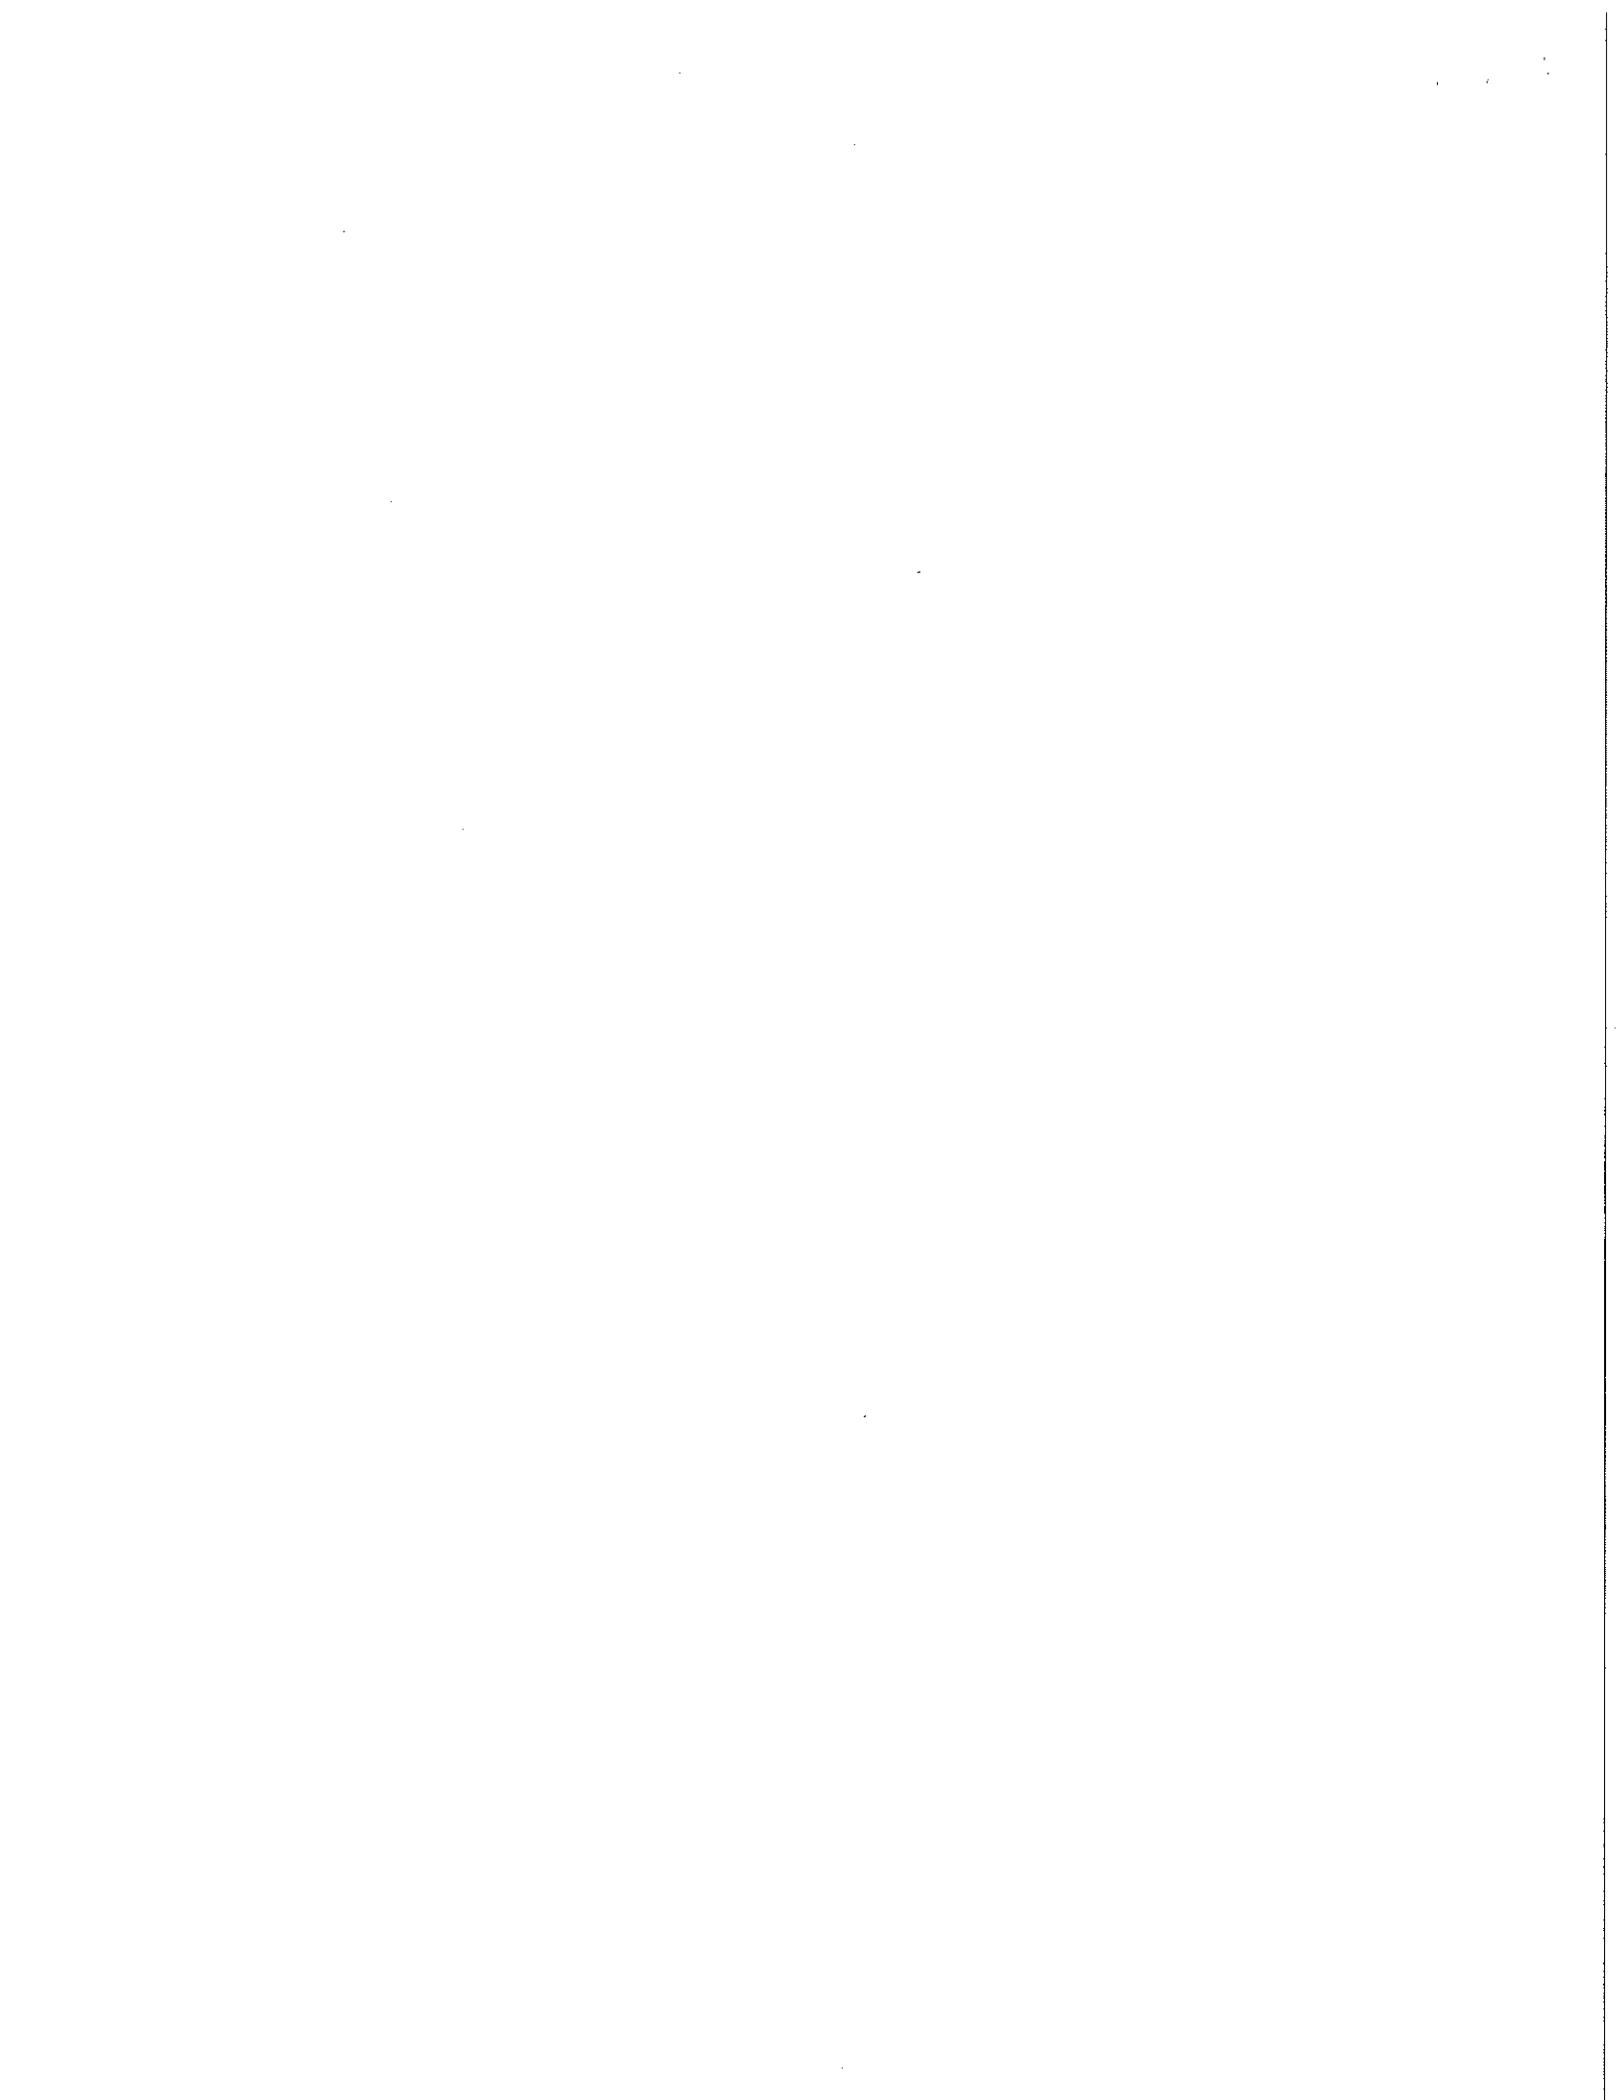

It was brought to our attention today that Pioneer Pleasant Vale Schools have made a claim's omission regarding the 2015-2016 school year. Therefore, we are submitting a late claim to correct our mistake and ask that you accept our claim. Our claims department mistakenly omitted claims of \$45,000.00 last year by believing that the claims in question had already been submitted. We are very sorry for this omission and are in the process of identifying the processing error so this does not happen again.

Please let me know if you need anything else from me. I can be reached at 580-758-3282. Again, please accept our late claim and our apologies.

Sincerely,

A handwritten signature in black ink, appearing to read "Brent Koontz".

Brent Koontz

 New SAM Expiration Date (if required)  [Click here to access SAM for Expiration Date Information](#)

**Note:** OSDE is prohibited from making payments to LEAs whose CCR Expiration Date (which has now been replaced by the SAM Expiration Date) has passed.

For every Summary Expenditure Report in which an LEA must enter the new SAM Expiration Date, the LEA must also upload a PDF from SAM.gov which shows the LEA name, DUNS #, and expiration date.

I Certify that, to the best of my knowledge and belief, this report is true and correct in all aspects: supporting documentation for all entries in the accounting records are on file and will be retained for five (5) years or until the Applicant is notified that such records are no longer needed for administrative review; and the federal funds have been expended only for the purposes they were granted.

All expenditure reports must be signed by the local Superintendent. If the local school board has authorized a different individual to sign expenditure reports, please upload a copy of the school board minutes that confirms the authorization of this signature.
