

- Total amount of federal funds coming to Oklahoma from USDE: \$372,841,126
- The amount of Title I funds subject to set-asides: \$145,509,668

### Set-asides:

- Next school year, school *districts* with one or more sites in school improvement will have to set aside 20 percent of these Title I funds.
- This school year and in the future, school *sites* in school improvement will have to set aside 10 percent of Title I funds for professional development.
- Any school *district* in school improvement must set aside 10 percent of Title I funds this school year for professional development.
- This year, as much as \$20 million to \$30 million could be required to be set aside.
- These are federal dollars that under the waiver school districts had extreme flexibility in spending. Those funds will be affected immediately, this school year.
- Once Adequate Yearly Progress (AYP) status is determined for each school and district, schools may have to spend additional funds on school improvement factors such as replacing staff, replacing curriculum, lengthening the school day or other options.
