D. The State Board of Education may grant an exception to the requirements for licensure and certification and, upon demonstration by an individual of specific competency in the subject area of specialization, may grant a license or certificate to the individual. 1. Admitted without further qualification; and

2. Offered the opportunity to complete the Standard Certification course requirements set forth in subsection A of this section during the summer preceding and the summer following the first year of teaching under the Alternative Placement Program.
