

2014 – 2015 Oklahoma Alternate Assessment Program (OAAP)

The 2014-2015 Oklahoma Alternate Assessment Program will utilize two different assessment systems. Math and English/language arts will be assessed through Dynamic Learning Maps (DLM) Alternate Assessment System. Science and social studies will be assessed through Portfolio/Pearson Access. Additional information can be found at <http://ok.gov/sde/assessment>.

DLM’s KITE Educator Portal vs. KITE Client

KITE Educator Portal is the dashboard where educators manage student data, access professional development, receive test information, access training modules and view reports. Professional development for the 2014-2015 OAAP is currently available in KITE Educator Portal. If you are an Assessment Coordinator and do not have a KITE Educator Portal account, contact kurt.johnson@sde.ok.gov to set up an account.

KITE Client is the web-based interface used by students for taking tests. KITE Client *must* be installed to a computer’s operating system in order for a student to be assessed. DLM has developed a [Technical Liaison Manual](#) and professional development to aid this process. Contact your district’s technology department to ensure they are aware of this requirement. Technical information about KITE Client is found at <http://dynamiclearningmaps.org/content/requirements>.

Training for the 2014-2015 OAAP

Training will be provided for Dynamic Learning Maps (DLM) and for the Portfolio. Training is currently available through KITE Educator Portal for DLM. Details for Portfolio training have not been announced. Once available, Portfolio training details will be posted at <http://ok.gov/sde/assessment>.

Upcoming Dates

October 1st is the deadline for student enrollment for DLM. The Data Steward is responsible for completing the enrollment process. This process is outlined in DLM's [Data Steward Manual](#).

Checklist

To ensure your district is ready for the 2014-2015 OAAP, please review the following notices.

- ✓ The Assessment Coordinator should have an account set up in Educator Portal and be in the process of adding Test Administrators. This will enable Test Administrators to view required professional development.
- ✓ Talk with your district's IT department. Confirm they are aware of the KITE Client requirements for DLM.
- ✓ Talk with your district's Data Steward. Confirm they are aware of the Oct 1st deadline for student enrollment.
- ✓ Review DLM's Oklahoma specific [Educator Resource Page](#) and subscribe to DLM Test Updates.
