

Districts Who Did Not Participate in January 28th Stress Test**Count: 35**

On January 28th, 2014, all districts were expected to participate in a statewide stress test to test districts' computers and networks as well as the state's internet infrastructure. The districts listed below did not participate in the stress test. Some districts tried and could not due to large scale technical issues, and a couple of districts were closed due to inclement weather.
