The following procedures are a required part of determining whether a student is given the Text-to-Speech, Human Reader, or Sign Language Interpretation accommodation for the OSTP English Language Arts/Reading assessment. If all guidelines are *not* met, and the student is given the Text-to-Speech, Human Reader, or Sign Language Interpretation accommodation on an English Language Arts/Reading assessment, then the student's assessment score may be *invalidated* and the score will not be counted in the overall assessment results; i.e., the student will be considered a "non-participant" for the English Language Arts/Reading assessment.

Requests must be submitted through the Nonstandard Accommodation Application located on the OSDE Single Sign-on by October 1st for the EOI Retest/Winter/Trimester testing window.
