

## Classroom Management Mini-Series Presentation #2 – Preparation

### **Helping Students Feel Important**

#### Reflection/Discussion Questions

1. What actions do you take to feel prepared for your teaching day?
2. How would your students describe your level of preparation?
3. What obstacles prevent you from being prepared?  
How could these obstacles be removed?
4. What is one thing you are willing to do today to increase your level of preparation?
