

## Classroom Management Mini-Series Presentation #4 – Consistency

### **Helping Students Feel Respected**

#### Reflection/Discussion Questions

1. On a scale of 1-5, with 5 being highly consistent, how would you rank your practice of being consistent?
2. How do you think your students would rank you?
3. What are some areas in which you can demonstrate more consistency?
4. Select one area that you want to increase your level of consistency. Develop a plan that will help you become more consistent in that one area.
