

You are invited to attend the

Oklahoma Physical Education Standards and Outcomes Implementation Workshop

Friday, June 10th from 8:30 – 12:30

This workshop is designed to help teachers of physical education better understand and apply the newly revised Oklahoma Physical Education Standards and Grade Level Outcomes. Information gained from the workshop will assist teachers in curriculum planning and assessment of student learning.

Workshop Registration: Go to <http://goo.gl/forms/ra9h2o3j85> to register for this exciting event. It won't take but a minute.

Pre-Work: Check out the new standards and outcomes

@ <http://www.sde.ok.gov/sde/physical-education-and-health> prepare your questions, ideas, resources, bring any of your favorite lesson plans to align to the new outcomes, bring your laptop, dress comfortably, and be ready to share information with fellow participants.

Location: The workshop will be held on the campus of the University of Central Oklahoma in the College of Education building, Room 102. For a campus map and parking information please see the information below.

For information: Please contact Sherry Fisher @ Sherry.Fisher@sde.ok.gov or Stephanie Canada @ scanadaphillips@uco.edu
