

2015 Joint Federal Programs Summit

What's New in the Grants Management System

2015 Joint Federal Programs Summit

New for FY16 in the GMS

- Transferability of Funds to the Schoolwide Budget.

2015 Joint Federal Programs Summit

Now in the GMS – Payment History

- Hyperlink on Payment Summary to Completed Payments.
- Claims Review Summary to see Who Submitted specific Summary Expenditure Reports.

2015 Joint Federal Programs Summit

Coming to the GMS – Claims Import

- Importing Detailed Expenditure Reports via CSV upload into the GMS – eliminating the need to key in most claims data.

2015 Joint Federal Programs Summit

Coming to the GMS – Monitoring

- Some Federal Programs may begin using the GMS architecture to capture:
 - Upload Documents showing Evidence of Compliance
 - Monitoring Findings
 - Corrective Action Plans.

2015 Joint Federal Programs Summit

Coming to the GMS – Auto-Save

- Work will begin soon to the GMS Product so that Background Saves will occur, similar to how Microsoft Word performs this function.
- We expect to allow the recovery of some/all data that was lost due to timeouts.
