Validation Reminder

- Grade Level does not align…
  - Checks if school site matches School of Membership
    - School site = the site the enrollment originates from
    - School of Membership = the site that gets funding for the student
  - If they **do not** match, School of Membership will be used
  - If School of Membership **is not** accredited to serve the grade the student is enrolled in, this **will fail validation**

OKLAHOMA
Education

Validation Reminder

- Grade Level does not align…
  - Example 1: Student is enrolled in 1st grade. Enrollment comes from site that serves grades KG-05, but the school of membership only serves PK & KG. **This will fail validation**

  - Example 2: Student is enrolled in 1st grade. Enrollment comes from site that serves grades PK-KG, and the school of membership serves KG-05. **This will pass validations**
