Find a Book, Oklahoma

Four simple steps to customize your Summer Reading Bookmark:

1) Cut along the dotted lines.

2) Write in your Lexile® measure and summer reading list.

3) Fold horizontal (hot dog) style along the solid line.
   We recommend educators laminate bookmarks,
   or students can glue the backs together when
   they fold.

4) Check out your books and READ!

"Find a Book, Oklahoma" is offered in partnership with the Oklahoma State Department of Education and MetaMetrics, Inc.
