**Statement from Matt Langston, Senior Policy Advisor,
Replying to Representative McBride**

Oklahoma City, Okla – The following may be attributed to Senior Policy Advisor Matt Langston, in reference to a statement issued by State Representative Mark McBride today:

“I’ve never seen a more whiney Democrat in my life. McBride continues to cry for attention while promoting failed policies, backing woke indoctrination, and promoting porn in schools while working hand in hand with the Democrats and the liberal media. He’s made every union leader and liberal extremist proud. No Oklahoman can take him seriously.”
