

Update to Test Proctor Requirement for 2021 Test Administration

In light of the U.S. Department's recent communication and the safety concerns caused by the COVID-19 pandemic, the Oklahoma State Department of Education has expanded flexibility for the Oklahoma School Testing Program test proctor requirements:

For the 2021 test administration, each school **site** is required to utilize at least one **(1)** trained roving proctor (**test monitor**) for OSTP assessments grades 3-8 and 11.
