DVR Best Practices

- Do Create a DVR if:
    - The needed change cannot be made in the SIS and update the student data.
    - The data is correct in the SIS but is not correct in Accountability.

- Do not create a DVR if:
    - The data is correct in the Accountability record.
    - The data can be corrected in the SIS and sent to WAVE.

OKLAHOMA Education

Education

Instructional Levels

- Updates for SY2025
    - 00579 – Use for middle school courses receiving high school credit
    - 73044 – User for Career Tech courses (8000+ and 9000+)

00579	Accepted as a high school equivalent is specified as the general nature and difficulty of instruction provided throughout a course.
73044	Career and technical education general course is specified as the general nature and difficulty of instruction provided throughout a course.

Please reach out to OSDE for guidance of CTE programs that only have dual credit courses and do not provide a 9000+ code,
