<div align="center">
Accountability Subcommittee
Agenda
May 24th
</div>

Rubric and Checklist
- Difficult to line up
- It will be easier when we get back to evals being in person
- Discussed adding another designation once the final score is tabulated.

Capitol Day
- Revisit in the fall.
- It may need to go through legal.
- Last time it was set up thru the Alt Ed Association

Internship/Work study
- Do not use the work study code any more
- Suggestion is to use the same number of hours for internship credit as we require for work study.

Concurrent/Early College
- The Early College programs are pilots.
- The program in Broken Arrow uses a rubric which looks at a lot of things
- The program at Panhandle State is looking at the rural community and access to college.
- Each program will focus on a marginalized population when building the program.
- The programs that were approved for the pilot program were Panhandle State, Tulsa Community College/Broken Arrow Public Schools, and Oklahoma City Community College. OCCC has a high school within the college and are in partnership with Oklahoma City Public Schools. Broken Arrow has built a building for this program.

End of Meeting
