Description of Amendment:

a. This is to incorporate the following:

On behalf of the State of Oklahoma, the Office of Management and Enterprise Services (OMES) gives notice of the following questions concerning this solicitation, received during the Q&A period, which closed on 08/05/2024. All questions and procurement/agency responses are detailed below:

How many kits are we bidding on? In the past we did 3 grades.

The number of kits is estimated to be 250,000.

Will we be notified if we are out of compliance? Two years ago, we did not have to be registered with the state. I will submit the statute with my bid.

If you are asking if you have to be registered, the answer is: You have to be registered as a bidder in order to submit a bid. You will need to be fully registered as a supplier before an award can be made. There will be time to complete supplier registration during the legal review phase.

Same with the Dept of Revenue. We did not apply for an Ok tax id number.

We no longer ask for Tax ID numbers when a bidder submits a bid, however, you may be asked for this information during the supplier registration process.

Will the Q&A End date be extended if there has been no answer to the previous question?

Answers to previous questions are above.

Should I submit an incomplete bid so as to meet the deadline for submission? I believe I have everything ready except for the budget number.

You should submit a complete bid in order not to be found non-responsive.

b. All other terms and conditions remain unchanged.
