Description of Amendment: Questions and Answers

a. This is to incorporate the following:

1. The bid requires all attachments to be two pages or less. However, Attachment 4 requires us to attach a redacted prior proposal. Should Attachment 4 be more than 2 pages and include a full/actual proposal, or should we limit Attachment 4 to two pages and just include the budget and one page summarizing key information associated with the proposal?
A. Attachment 4, a redacted proposal, may be more than 2 pages.
2. Has funding been reserved or a budget been allocated for this project as of yet?
A. Since no award will be made, no funding has been reserved or budgeted.
3. If the RFI does proceed to an RFP is there a timeline that the department is hoping to follow in regards to an RFP release?
A. The RFI will not proceed to an RFP.
4. Is there currently an incumbent contract fulfilling this requirement?
A. This agency does not contract with any supplier for the services discussed in the RFI.
5. Regarding the Evidence Ratings presented in Appendix 2 & Appendix 3, can you provide additional explanation of these Evidence Ratings and how they will be used?
A. Additional information regarding evidence ratings for the ten effective practices is found in RFI sections C.3.2.1—C.3.2.3 and in the document link provided in section D.2 (RFI page 10); the link is also on the Application (Appendix 3, page 2). The evidence ratings of the practices are provided in the RFI to show the practices align with evidence levels required by ESSA and OSDE for schools designated for improvement. RFI applicants will provide responses explaining how their services will support implementation of selected practices.
