

District-Level Boot Camp and OKEdge

Non-Traditional Special Education Certification

Provisionally certified special education teachers are valuable team members. They manage the IEP process for their assigned students and co-teach with general educators in a variety of content areas and grade levels. High-quality instruction, using the various co-teaching models, is provided by two licensed teachers - a benefit for all students!

Contact Michele DeBerry at michele.deberry@sde.ok.gov or Carolyn Thomas carolyn.thomas@sde.ok.gov to help your district get started.
