

## Caseload/Workload & Class Size Assurance and District Compliance Plan

# Assurance

As Chief Administrative Officer of \_\_\_\_\_ Public Schools, I assure you by my signature that this request for exceptions to caseload/Workload & class size shall not interfere with the provisions of a free appropriate public education and implementation of IEPs as developed to meet the education needs of children served. I further ensure that each child's placement is based on the IEP in accordance with Least Restrictive Environment (LRE) requirements, including consideration for any potential harmful effects to the child or the quality of the program. Teacher assistants, paraprofessionals, and other support services will be used as necessary. I understand that this request if approved, applies only to this school year.

---

## District Compliance Plan

Describe the district's plan to bring special education teachers' caseloads/Workload & Class Size into compliance.
