

This calendar shows the meeting times for each learning group. For sessions being offered virtually, there is a Part 1 and a Part 2 for each group. Participants will need to attend both parts. For sessions offered in person, there is just one date listed along with the city where training will occur.

**Change requests:** If a group has a hyperlink, there are openings available in that group. If the times for your assigned group do not work with your schedule, you may click on a different group with available openings to register for that change. The registration link for each group will be under Part 1. You will be automatically enrolled for both parts of the same group by registering for part 1.
