

Summary of Subject Codes Changes

2021-2022 School Year

The Oklahoma State Department of Education has reviewed the subject codes available on the Accreditation¹ website for accuracy, consistency, and ease-of-use. A number of changes to the subject codes will go into effect for the 2021-2022 school year in an effort to improve advising and course offerings for all Oklahoma students. Notes about revisions are provided in this document for reference. All changes are either a **Deletion**, **Addition**, **Revision**, or **Move**. Decisions about such changes have been informed by the following five factors:

- **Factor 1** - Alignment to Current Standards
- **Factor 2** - Alignment to Best Practices Regarding Remediation and Support Structures
- **Factor 3** - Alignment to Advanced Learning Opportunities and Post-Secondary Readiness
- **Factor 4** - Alignment to Best Practices in Advising
- **Factor 5** - Usability
