

EL FAQ Changelog: August 2022 Update

Substantial Edits or Additions:

Throughout: When referring to the WIDA Kindergarten Screener, “Composite/Overall score” was changed to “Oral Composite/Overall score.”

Throughout: “English Language Acquisition Plan” was updated to “English Language Academic Plan.”

Throughout: to reflect organizational changes at the Oklahoma State Department of Education, references to the Office of Federal Programs have been removed and replaced with links and references to the Office of English Language Proficiency.

Throughout: Reference to the K-W-APT and W-APT has been removed as these assessments are no longer in use.

Glossary: Reference to the K-W-APT (Kindergarten WIDA ACCESS Placement Test) was removed as this assessment has been replaced by the WIDA Kindergarten Screener.

Section I, Question 3: Description of the LIEP (Language Instruction Education Plan) updated to reflect use of new template and method of uploading information in the Title I application.

Section III, Question 6: The response has been modified for greater clarity.

Section III, Question 11: New question added regarding screening students with all-English HLS and reidentification of former ELs.

Section VI, Question 9: The response has been changed to reflect the introduction of the WIDA Screener for Kindergarten and updated guidance on the administration of this assessment to students in kindergarten and the first semester of first grade.

Section IX, Question 8: The response has been modified for greater clarity regarding qualifying scores on OAAP/DLM assessment.

Section IX, Question 11: The response has been modified for greater clarity, reference to guidance, and information regarding WAVE coding.

Section XVIII, Question 3: Information has been added regarding the availability of a Spanish language version of the citizenship assessment.
