Understanding your Discipline Data Import Template

Below is a legend (key) that explains what each of the headers in the Discipline Data Import Template are, as well as how to properly enter the information. Once the discipline information has been entered into the template, the template is then uploaded into EdPlan by uploading the document through the Administrator tab and using the Upload New Data button.

UNDERSTANDING YOUR DISCIPLINE DATA IMPORT TEMPLATE

After clicking the Upload New Data Button, click the Choose File button, and select the discipline file from your computer to upload the file to EdPlan. Leave the box unchecked to upload the data, and be sure to insert your email to receive a notification about the status of the discipline upload. If you choose to upload multiple discipline files, be sure that there are no duplicate discipline events being uploaded by using an empty template for each upload.
