The purpose of this document is to provide Local Education Agencies (LEAs) with comprehensive claims procedures to assist them in preparing claims for submission to the Oklahoma State Department of Education (OSDE).
JOINT FEDERAL PROGRAMS CLAIMS PROCEDURES

The items contained in these procedures are considered best practices and if followed, will reduce the likelihood of errors and increase the efficiency in which claims are paid. The items are consistent amongst all programs unless specifically noted. These items have been reviewed and agreed to by the Office of Federal Programs, the Office of Special Education, the Office of Family & Community Engagement, and the Office of School Support & Improvement.

LEAs choosing not to follow these procedures run the risk of claims being significantly delayed or denied. OSDE reserves the right to request additional documentation to verify any expenditure submitted for reimbursement.

Technical Assistance

- Each office provides program specific claims training annually.
- Each office provides additional technical assistance via phone and email throughout the grant cycle.
- Each office can provide onsite technical assistance upon request. Please contact the specific program office for more information.

- There will be no budget revisions made to the Fiscal Year applications after June 30th.
  - Expenditures that are claimed, but are not reflected in the budget application after this date, must be removed from the claim and will not be reimbursed.
- June 1st is the last day for LEAs to file a payable claim with OSDE, to guarantee LEA receives payment by June 30th.
- August 1st is the last day for LEAs to file a payable claim with OSDE for the Fiscal Year.
  - The Oklahoma Administrative Code does not contemplate or allow for late claim submissions.

Carryover
Subgrants of federal funds to LEAs are available for obligation for two state fiscal years (27 months). Allocations to LEAs for the first fiscal year (12 months) must be obligated as current year funds. Any balance of the first year funds unobligated by June 30th will remain available as first year carryover for a second fiscal year (12 months). Any balance of the first year carryover funds unobligated by June 30th will remain available as second year carryover until September 30th (3 months).

  - Competitive Federal Subgrants, such as 21st Century, Striving Readers, and School Improvement Grant 1003(g), have program specific guidance that allows for alternative carryover timelines.
  - Title I Part A also has program specific carryover limitations.
  - It is recommended that LEAs check with the specific program for detailed carryover information.

GMS Reimbursement Request

- Information in the GMS system should match the information on the Summary Expenditure Report produced by the LEAs local cost accounting system.
- Indirect costs cannot exceed allowable maximum per claim and can only be claimed based on the direct costs for each reporting period.
- The LEA is required to attach Summary and Detail Expenditure Reports and supporting documentation.
  - The Office of Federal Programs requires expenditure reports to include site level expenditures.
- Claims should be reviewed by LEAs for accuracy and allowability before being submitted to OSDE.

DUNS/SAMS

- The SAM entity record expiration date must be current in order to receive reimbursement.
  - If expired, a copy of the new SAM entity record must be uploaded with next claim submitted for each federal program.
- It is recommended that LEAs renew the DUNS number as close to July 1st as possible, to ensure that it does not expire during the current fiscal year.
JOINT FEDERAL PROGRAMS CLAIMS PROCEDURES

Coding
- Function/Object Code must align with the expenditure description.
- LEAs should consult the most current Oklahoma Cost Accounting System (OCAS) manual for coding.
  - A current version of this manual can be found on the OSDE Financial Accounting website.
  - LEAs are encouraged to contact the program office with specific coding questions.

- Do not use a highlighter on documentation.
  - When scanned, the highlighter may make the document illegible and the claim may be returned.

JOINT FEDERAL PROGRAMS CLAIMS PROCEDURES

Object Code 700 – Property
- All invoices for property must be attached.
- “Property” is defined as capitalized items with a value over $5,000 per single item.
- Proper coding to object code 700 will depend on the way the invoice is issued.
  - [EXAMPLE] If there is a break-down per item, and each item is under $5000 (such as 25 computers x $500 each, total $12,500), then object code 600 will be used, regardless of the total amount of the invoice. If the invoice says for example computers for $12,500, then object code 700 will be used, as the invoice reflects a single item with a value greater than $5000.
- Indirect Cost (IDC) is not calculated against property.

Object Code 800 – Other Objects
- All applicable invoices or receipts must be attached.
- Registration for a professional development activity requires an invoice with the participants’ names listed.
- Tuition Reimbursement requires a copy of the college transcript, showing the name of the student, the name of course complete, and a passing grade.
  - It is recommended that LEAs check with the specific program as other federal programs, such as 21st Century do not allow tuition reimbursement.
