

2023-2024 OAAP Update

January 9, 2024

This update will cover:

- New First Contact Survey
- OAAP Resources
- Professional Development
- District Level OAAP Participation – Justification Survey
- DLM Reminders

New First Contact Survey

A student's First Contact Survey remains with the student from year to year and typically only must be reviewed, updated if needed, and resubmitted each new school year. **Due to revisions to the First Contact Survey for 2023–2024, all required items will need to be completed, even for returning students.** District Test Coordinators will need to assign students to the teacher for the teacher to complete this step.

OAAP Resources

[DTC Steps for OAAP](#)- Quick reference guide for OAAP testing.

[Add a Student Record Manually](#) – Quick reference guide to add a student.

[Creating a Roster Manually](#) – Quick reference guide to create a roster.

When creating rosters, please ensure that students are assigned to the appropriate grade level and subject areas. OAAP testing mirrors the OSTP requirements for the subject areas assessed at each grade level.

Professional Development

Dynamic Learning Maps offers many valuable professional development resources on its website, so each OAAP update will feature a training that educators may wish to pursue. The next featured course is Emergent Writing. This course focuses on how to support emergent writers and how to analyze emergent writing samples.

District Level OAAP Participation – Justification Survey

If your district is anticipating more than 1.0 percent of your testing population (Grades 3-8, and 11) will participate in the OAAP/DLM testing in the 2024 spring operational window, the survey: “[2024 Justification for Exceeding 1.0 % in OAAP Participation](#)” must be completed online by **March 1, 2024**. If your district is not expecting to exceed the cap, no action is required.

The survey is designed to be completed by someone at the administrative level with special education and state testing knowledge. It may be completed by either the District Testing Coordinator, Special Education Director, or someone in a similar position.

DLM Reminders

- DLM Test Administrator Training is now accessed through Kite Educator Portal.
- DLM has released a new training module “How to Interpret and Use Score Reports.” The module covers how to read and interpret the performance and learning profile, score report uses, and cautions about score report interpretation and uses that are not supported by DLM.
- Subscribe to [DLM Test Updates](#).
- The DLM Help Desk contact info is posted below. Please do not send any Personally Identifiable Information. The only identifier relating to a student that can be sent in an email is the STN.
 - DLM Help Desk: Phone Number: 844-261-6481; email: DLM-support@ku.edu
