Completing the Teacher Survey

We highly encourage test administrators to complete the teacher survey. After a student completes the assessment in a subject, the test administrator will have the option to complete a teacher survey for each student in Kite Student Portal.

Downloading Data Extracts in Kite

If districts would like to retain the information stored in the various data extracts, please download those reports before **May 24, 2024**.

Oklahoma Academic Standards alignment with the Essential Elements

We have aligned the Essential Elements to their corresponding Oklahoma Academic Standards for ELA, math, and science.
